To Whom It May Concern,

The Toronto Symphony Orchestra is delighted to be presenting **Souls of Steel Orchestra** as a pre-concert lobby performer on Saturday, November 3, 2018 at one of our Young People's Concerts.

By performing in two 20-minute pre-concert lobby performances, **Souls of Steel Orchestra** will contribute to the TSO Education Department's ongoing efforts to educate and expose children to a diversity of orchestral music and musicians.

Yours sincerely,

Aaron McFarlane
Director of Education & Community Engagement
